

# Family Friendly Coverage

## What is Family Friendly Coverage?

Travelex Insurance Services offers protection plans that protect children at **no additional cost** when accompanied by a covered adult family member. This coverage is automatically included in the following protection plans:

- **Travel Select Advantage**
- **Travelite**

**Note:** While enrolling, make sure to include all children as part of the enrollment application. Age restrictions of children vary per plan.

## Why Travelex?

Travelex is an industry leader in Family Friendly Coverage. Simply purchase one of the protection plans listed above and receive the following Family Friendly industry bests:

- **No additional purchases needed** – Family Friendly Coverage is automatically included; not an optional upgrade. Simply list the children on the enrollment application!
- **No time limit** – Purchase a protection plan at initial deposit or the day before departure, either way your family is protected at no additional cost.
- **Primary coverage** – An industry best for Family Friendly Coverage!

## Want more protection?

In addition to having Family Friendly Coverage, **Travel Select Advantage** automatically includes all the benefits of the **Family Pak** and provides your family even more peace of mind. This Lifestyle Pak makes traveling with a family easier with coverage for child care cancellation and movie rental reimbursement for overnight delays. The pak also includes medical protection for traveling pets and additional kennel coverage costs if your return trip is delayed.
