

Enhanced Job Loss Protection

Included with Travel Basic, Travel Select,
Travel Select Advantage and Travel Max

Travelex Insurance Services has enhanced the covered reason under the trip cancellation / trip interruption benefit for job loss.

Employment with the same employer is now only required for ONE YEAR in order to qualify for this job loss benefit!

This enhancement automatically applies to all Travel Basic, Travel Select, Travel Select Advantage and Travel Max policies with a **departure date** on or between **March 1, 2009 and December 31, 2010**.

Policy language within the Certificates of Insurance does not reflect this enhancement. If one of the products listed above has been purchased for a trip with a departure date within the qualifying time period, please print this document for your future reference.

All other criteria within the job loss benefit remain the same, only the duration of employment restriction has changed. The job loss benefit can be found in the Trip Cancellation & Trip Interruption section of a Certificate of Insurance. The location of this section within each Certificate of Insurance is dependent upon the product purchased and your state of residence.

This document enhances the corresponding language in your Certificate of Insurance. All other terms, exclusions and conditions of the policy apply. For full policy details, conditions, exclusions and limitations please reference the applicable Certificate of Insurance.

Travel Basic, Travel Select, Travel Select Advantage and Travel Max are underwritten by Nationwide Mutual Insurance Company & affiliated companies. Certain states underwritten by United States Fire Insurance Company. For further questions, please call our Customer Service department at 1-800-228-9792.
